EASTVALE 2040

Envision Our Future

What is #Eastvale2040?

“A city is not gauged by its length and width, but by the broadness of its vision and the height of its dreams.”

—Herb Caen

#Eastvale2040 is Our Vision of Our Future

- ✓ Our 10 year anniversary is an opportunity to ask what the City should look like when Eastvale is 30, and then make it happen.
- ✓ Current General Plan was a quick fix. #Eastvale 2040 will be our first Eastvale-centered vision.
- ✓ Eastvale 2040 will be a vision, rather than solely data-based.
- ✓ It is imperative we maintain our fiscal sustainability to set future generations up for success.
- ✓ #Eastvale 2040 must help us excel in a faster-paced and ever changing world with a globally connected economy.
- ✓ We must enhance our ability to continue to be an attractive place to live, work and play.
- ✓ Make sure that future development positions us to meet the needs of our residents and businesses now and in the future.
- ✓ #Eastvale 2040 will meet our state obligations.

Our Focus for #Eastvale2040

- Design (land, building, art)
- How we get around now (and later)
- Sustainability (fiscal and environmental)
- Fairness (for everybody)
